

25 January, 2022

Dear WFEO Delegate,

The World Federation of Engineering Organizations (WFEO) and the Colegio Federado de Ingenieros y de Arquitectos de Costa Rica – CFIA, member of WFEO, are organizing the World Engineering Summit – WES 2022 to be held at San Jose, Costa Rica on 4-11 March, 2022.

The WFEO committees' meetings, Executive Council and General Assembly will be held during this same week at the Intercontinental Hotel and the World Engineering Summit – WES 2022 will take place at the Convention Center of Costa Rica on 7 March, 2022.

Those meetings are held in the framework of the UNESCO World Engineering Day for Sustainable Development (4 March), as WFEO coordinates this event in liaison with UNESCO and other major international organizations and agencies.

For this important international event, WFEO's Executive Board has requested all WFEO Members representatives to observe a strict policy that all participants to meetings shall be fully vaccinated with a WHO recognized vaccine.

As participant to WES2022 and/or WFEO meetings, you shall comply with the Costa Rica sanitary regulations as described at <https://salud.go.cr/step1>

Depending on your citizenship, you may need to request a Visa to enter Costa Rica. Please check with relevant authorities. CFIA will do its best to assist in facilitating those processes. [Visa information](#)

REGISTRATION:

1. Click on <https://www.wes2022.cr/registro-delegados-fmoi/>
2. **Password:** WFEOCR2022
3. Click in: Register here (icon)

Your registration includes:

- UNESCO World Engineering Day for Sustainable Development (WED) 2022 (4 March)
- WFEO Meetings (5,6, 8,9,10 March)
- WES 2022 Opening Ceremony (7 March)
- WES 2022 Closing Ceremony (7 March)
- Lunch / coffee breaks (5,6,8,9,10 March)

To be purchased separately, not included in registration:
